REPROGRAPHICS
PRICE GUIDE

This is a guide to the reprographics services we offer. All copying is provided on the understanding that they are for private study and research only and will be undertaken in accordance with our ‘Policy on copying’. A member of staff will be happy to discuss your particular requirements.

Low resolution copying:
Digital PDFs or paper photocopies - 50p per page (plus VAT)

High resolution scanned digital images:
Digital JPG images (up to A3) - £10.00 for first image (plus VAT)
  £5.00 for each subsequent image (plus VAT)

All copies requested for publication will be supplied as high resolution scanned digital images.

Delivery
Postage and packing will be added at the appropriate rate. There is no additional charge for electronic delivery. All digital files will be supplied via Strathcloud Sharefile.

Minimum charge
There is a minimum charge of £15 for all orders placed online or by post.

VAT
VAT (currently 20%) is excluded in the charges detailed above. VAT will not be charged to:

- University of Strathclyde students* requiring the copies for coursework,
- members of University of Strathclyde staff* charging the work to departmental or research grant accounts, or
- external orders from countries where VAT is not applicable (outside the European Union)

* University of Strathclyde staff and students are entitled to an additional 50% discount
